SIBARTH

REAL ESTATE

Radiant Charm

This elegant villa is tucked away in the hillsides of Anse des Cayes, overlooking the Caribbean Sea.

The bedrooms are situated at each extremity of the house, separated by a central interior living space. Each bedroom includes a private bath, classically designed with marble and wood finishes.

The open kitchen is separated from the living room by a solid wood bar. The villa's décor is relaxed and romantic. The spacious decks include several comfortably furnished areas for dining or relaxing.

The pool and the jacuzzi are located on the lower deck, surrounded by charming tropical garden. Tranquility reigns in this peaceful villa.
